

A child's drawing on a light-colored background. On the left, a person is drawn with a split face: the left side is grey and the right side is purple. The person has a striped shirt and shorts. On the right, a tall, dark, textured tower stands on a dark, textured ground. At the top of the tower is a square frame containing a circular shape with a grid pattern. Above the tower, a large, dark, circular sun-like shape is drawn with radiating lines. A vertical purple bar is overlaid on the drawing, containing text.

¿ Que es la Verdad?

Preguntas o verdades que es lo que se esconde detras  
 de la solución. Al momento "quedamos?"  
 Imaginar o pensar llegar a superar nuestros límites lo arregla  
 el falso de lo que si conocemos.  
 diferentes

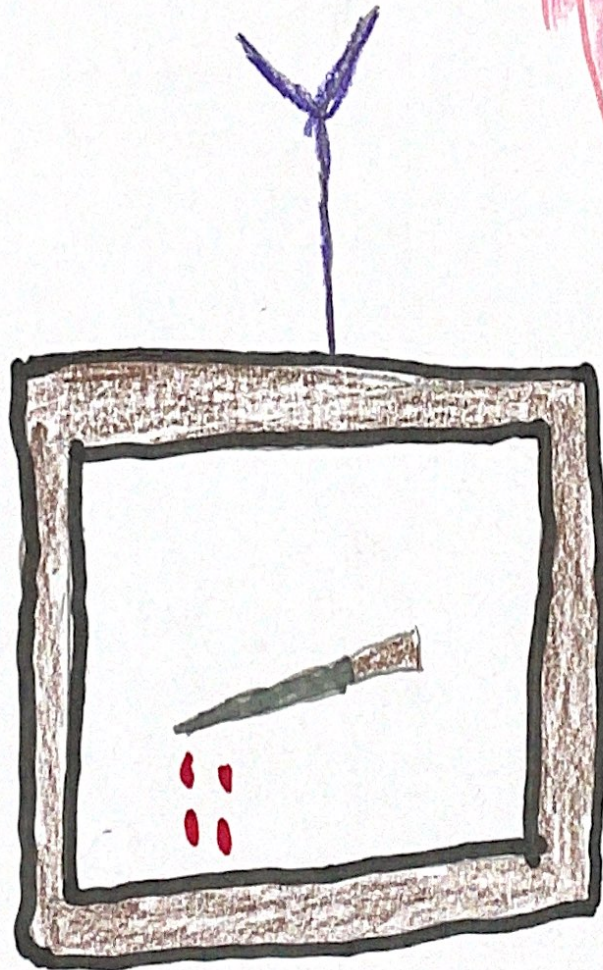

Todos somos iguales...

Todos somos diferentes...
